

Hunter Animal Rescue Inc.

Would You Like To Help Dogs & Cats In Need?

Become a Foster Carer and Save a Life

Hunter Animal Rescue can only exist as a rescue group with people willing to bring needy animals into their homes. Love and care is needed until we find the animal's perfect forever home.

The more foster carers we have the more animals we can rescue from the Upper Hunter.

• If you would like more information on becoming a Foster Carer or Rescue Adoption, Hunter Animal Rescue will be at:

• **Denman Farmer's Markets** Saturday 4th February

• **Scone Country Markets** Saturday 11th February
