It will help Hunter Animal Rescue provide support to abandoned and mistreated animals in our community.

Save A Life Adopt A Pet!

Rehoming pets in Newcastle, the Hunter and Central Coast Regions...

Hunter Animal Rescue is a not-for-profit organisation run by volunteers who dedicate their time to finding new homes for abandoned pets facing euthanasia. All animals are kept in foster care where they experience a good quality of life whilst waiting for their forever homes.

Carers are able to get a good idea of a dog or cat's personality and their suitability for different homes.

We have a variety of animals available for adoption, puppies, seniors, cats, kittens, cross or pure breeds and some with special needs. Each pet waiting for a new home has their own photo and personality profile listed so if you or someone you know is looking for a pet please go to:

(Check out the 'success stories' page for pets that have been rehomed!)
