

I NEED A MUMMY AND/OR DADDY

**Hi my name is Charlie,
I need a home!**

Charlie - Male Kitten

I am a sweet, quiet boy. I have a grey fluffy head which is really cute and I'm quite small for my age, but I am getting bigger. I enjoy my food but I'm not greedy and I will happily share with the others.

I am fairly quiet, although I do get a bit possessive of my favourite red ball that I play with and I growl at the others when they try to get it. My favourite spot to sleep is in the washing basket or behind the lounge.

I like staying indoors, as I've never been outside and I'm a lot safer inside.

I would love it if someone could adopt me with my brother if possible as we are good mates.

**If you would like more information on Charlie call Lauren on 49366530 or

\$180 adoption fee which includes:

- Microchipping
